

Assistant Accountant

- Rewarding salary package plus benefits
- Mentorship and unlimited career development

The Melbourne Cricket Club (MCC) is a globally recognised private sporting club. With over 100,000 members and successfully managing the iconic MCG it is the foremost promoter of Australian sport. Continually building on their unparalleled success and maintaining their unique heritage status, the MCC strives to achieve the best services and facilities for its members and operate a world-class stadium.

With sustained growth and best practice operations in place the MCC has a rare career defining opportunity for an exceptional individual to join their dynamic and fast paced Finance team. Reporting to the Manager of Accounting Operations, the Assistant Accountant has the mandate to complete a number of varied and challenging accounting functions. Your responsibilities will range from processing journals; completing reconciliations and general ledger maintenance to assisting with the generation of financial reports and variance analysis for multiple entities.

To be successful, you will be accounting or business degree qualified, with a solid foundation in financial accounting through practical experience and possess strong commercial awareness. Demonstrating well-developed communication skills and the confidence to work with senior stakeholders your enthusiasm and aptitude to learn will see you become an accomplished accounting professional within a renowned organisation.

Coupled with a rewarding salary package and remarkable employee benefits, this opportunity offers strong mentorship and career development to the successful individual.

For further information please call Emma Peardon or Jane Bithell on 8060 4900 or to express interest apply online or at info@cadencepeople.com

No direct or agency applications to the MCC will be accepted. Please direct all applications to Cadence People.
