

## Further Ticketing Information

### CHILDREN

Child price is applicable to children aged 18 months to 15 at the date of purchase. Persons aged 16 and over must purchase an adult ticket or concession if they hold relevant concession documents. Children over the age of 18 months will need to have a seat purchased for them to be able to sit in reserved seat areas (eg Gold, Silver, Bronze). A child aged 17 months and under is admitted free into the venue as long as they do not occupy a seat.

- v. Companion Card*  
In accordance with the Equal Opportunity Act (1986) and the Disability Discrimination Act (1992) the Melbourne Cricket Club, Cricket Australia and Cricket Victoria aim to address their social and legal obligations by recognising that some patrons of the Melbourne Cricket Ground may not have access to cricket without being accompanied by a companion.  
In accordance with this recognition, the recently introduced Companion Card is recognised for all cricket matches.  
The patron with the Companion Card has to pay for his or her own entry. They will be entitled to a concession ticket if they have the appropriate concession identification. On presentation of the Companion Card, an additional ticket will be issued to the companion free of charge.  
Patrons should be advised to visit [www.companioncard.org.au](http://www.companioncard.org.au) for information on companion cards.
- vi. Student Card*  
All full time students studying in Australia, 16 years or over. Students studying internationally are not able to purchase a concession ticket with an International student card.
