MELBOURNE STARS V MELBOURNE RENEGADES
LIBRARY FACT SHEET

Today's Match

In the twelfth season of the Australian men's domestic 20-over tournament, the Big Bash League (BBL12) each team will play its seven competitors twice with matches beginning on 13 December, 2022 and concluding on 25 January, 2023. The five-team final series (as for BBL11) will then take place. The Eliminator (27 January 2023) will be played between the teams finishing fourth and fifth with the loser bowing out of the finals followed by the Qualifier (28 January 2023) between first and second, the Knock-out (29 January 2023) between third and the winner of the Eliminator, the Challenger (2 February 2023) between the winner of the Knock-out and the loser of the Qualifier while the Final will be played between the winners of the Qualifier and the Challenger on 4 February 2023.

The Scorchers and the Sixers have the most impressive and consistent record of all teams; the Scorchers participating in nine final series with four premierships while the Sixers have competed in eight and been victorious three times. The Stars, whilst also participating in eight final series have yet to break through for a premiership and they and the Hurricanes remain the only teams without ultimate success at this stage. The Strikers, Heat, Renegades and Thunder have all won one tournament. The Stars and the Scorchers have each been runners-up on three occasions. The same teams have also recorded the longest sequential appearances in the finals; the Scorchers from BBL01 to BBL07 and the Stars from BBL01 to BBL06. The Thunder, in finishing seventh or eighth on five occasions, holds an unenviable record. Four of those low placements were in consecutive seasons.

Notes:

3 points are awarded for a win, 1.5 to each team for a tie, no result or abandoned match.

A bonus point is awarded halfway through the second innings of a match. The team chasing is awarded the point if it is above the equivalent 10-over score of the opposition. If it is trailing the fielding side will be awarded the point.

AT signifies a match abandoned without a ball being bowled but with the toss being made (1.5 points to each team).

The adjustment to Perth Scorchers' total points is in respect of an ineligible player being played against Adelaide Strikers on 14 January, 2022.

Net run rate is calculated by deducting from the average runs per over scored by a team in the tournament, the average runs per over scored against it.
