CRICKET CLUB**

VISITING THE MEMBERS' RESERVE

FOR THE 2022 AFL PREMIERSHIP SEASON

The MCC Members' Reserve will operate under new access conditions for the 2022 AFL Premiership Season.

In order to ensure the Members' Reserve continues to be a safe environment for members and their guests, matches will be categorised in one of the following options based on predicted attendance.

FULLY TICKETED MATCHES

Matches where the attendance of members and guests is expected to be near or reach capacity will be fully ticketed with no walk-up opportunity for members. All members will be required to book a reserved seat for themselves and their guests online via Ticketek to obtain entry. Members will be able to reserve a seat on any level of the Reserve and purchase visitor tickets in line with the match categories listed on page 4.

RESERVE ON DEMAND OR WALK-UP MATCHES

For these matches, seats will be made available to reserve on demand on a best available basis across all levels of the Members' Reserve.

All remaining unallocated seats within the Reserve will be available for walk-up on match day for members by scanning their membership card upon entry and for guests with general admission visitor tickets. Please note, whilst a match may be categorised as allowing walk-up access, reserved seats may sell out. As such, walk-up access is subject to availability.

For such matches, reserved seats on each level will be released on demand on a best available basis.

Members will not be required to pay to reserve their seat for the 2022 AFL Premiership Season.

Note: Members who obtain reserved seats for all matches will have their membership card validated for entry and will need to scan their membership card at the Gate 2 turnstiles.

As per previous years, matches will continue to be assigned a category by the Club that determines match access for members, what areas can be accessed and how many visitor tickets a member can purchase. For details on match categories for the beginning of the 2022 season, see the membership table on page 4.

VISITOR TICKETS

MCC Full and Restricted members are able to purchase visitor tickets for all AFL Premiership Season matches.

Full and Restricted members are able to purchase up to four visitor tickets for each game (excluding the ANZAC Day match, with an allowance of up to two tickets).

Provisional members are able to purchase visitor tickets for selected matches. See the membership table on page 4 for details.

MCC members will be able to obtain their reserved seating and purchase visitor tickets on the following dates:

- Rounds 1-5: on sale from 9.00am Tuesday March 1
- Rounds 6-9: on sale from 9.00am Tuesday April 5*

Information regarding round 6 onwards will be communicated via email and with mcc.org.au as the fixture is confirmed throughout the season.

*Matches, game times and on-sale dates are subject to change.

Reserved seating for mobility-impaired patrons, including wheelchair spaces, and their carers (with a companion card) is available via Ticketek by completing the online form (<https://help.ticketek.com.au>), by calling 1300 665 915 or in-person at the Club, must be obtained in advance for fully ticketed matches and is recommended for Reserve on demand/walk-up matches. However, spaces will also be

available on match days on a first-come, first-served basis for walk-up matches.

Companions (of either a member or a guest) receive free entry to the Reserve – for more details visit companioncard.org.au.

BEHAVIOUR

Members and guests in the MCC Reserve are expected to observe a standard of behaviour that is socially acceptable and in keeping with the standards befitting the Club, guided by the MCC Code of Conduct.

Whilst barracking for your team is encouraged, members and guests are expected to respect others within the vicinity.

Aggressive behaviour, bad language, racist and offensive remarks, as well as smoking or vaping will not be tolerated under any circumstances.

Members are reminded that they are responsible for the behaviour of their guests, and inappropriate behaviour by members or guests may result in suspension or cancellation of memberships.

Members who witness inappropriate behaviour are urged to report the matter to the nearest staff member or via the ground's anti-social behaviour reporting text message service (0409 117 621).

The MCC Code of Conduct and MCC Penalty Guide can be viewed at mcc.org.au/codeofconduct.

COVID-19 VACCINATION CONDITION OF ENTRY

Current government guidelines require patrons 18 years or over to be fully vaccinated and to "check-in" to the MCG via a QR code to the services Victoria App. Government guidelines and check-in procedures can be found at service.vic.gov.au

Please arrive early at matches to allow time for this process.

VISITING THE MEMBERS' RESERVE

The MCC Members' Reserve consists of four levels of seating within the Northern Stand, with a capacity of almost 23,000 (including standing room). The Reserve can be accessed via Gate 2, near the corner of Jolimont Terrace and Jolimont Street.

Full and Restricted members as well as Annual Guest Cardholders have access to the Reserve for all 2022 AFL Premiership Season matches. Provisional members can also access the Reserve for selected matches.

Note: Annual Guest Cardholders have the same access rights as a visitor.

The table below provides an overview of what is available to members in each event category. A fixture with event categories for Rounds 1 – 5 of the 2022 AFL season is located on page 9.

LEVEL 2 BALCONY SEATING LONG ROOM

Balcony passes that have previously been allocated to enable guests to access balcony seating on Level 2 and 3 will not be issued for the 2022 AFL Premiership Season.

For Category 3 matches, the seating on Level 2 will be available for purchase by all categories of membership and their guests.

In the event that seating on Level 2 is not allocated in advance for walk-up matches, any available seating will become available on a first-in, first-served basis on match day.

The Long Room is only accessible for members and guests aged 18 or older. Dress regulations apply for the Long Room (see page 8).

A Long Room pass can be obtained for guests aged 18 or older, subject to availability.

There is a limit of 10 successful advanced applications per member for the season. Members who do not collect their allocated passes on more than one occasion

without providing prior notice to the Club will be excluded from making further applications.

Any passes not allocated in advance will be available for collection on match day from the ticket window on the left hand side of Gate 2 by members who have not yet reached their individual limit of passes for the match already.
