I have my ticket or membership and am going to the MCG to watch the footy.

2

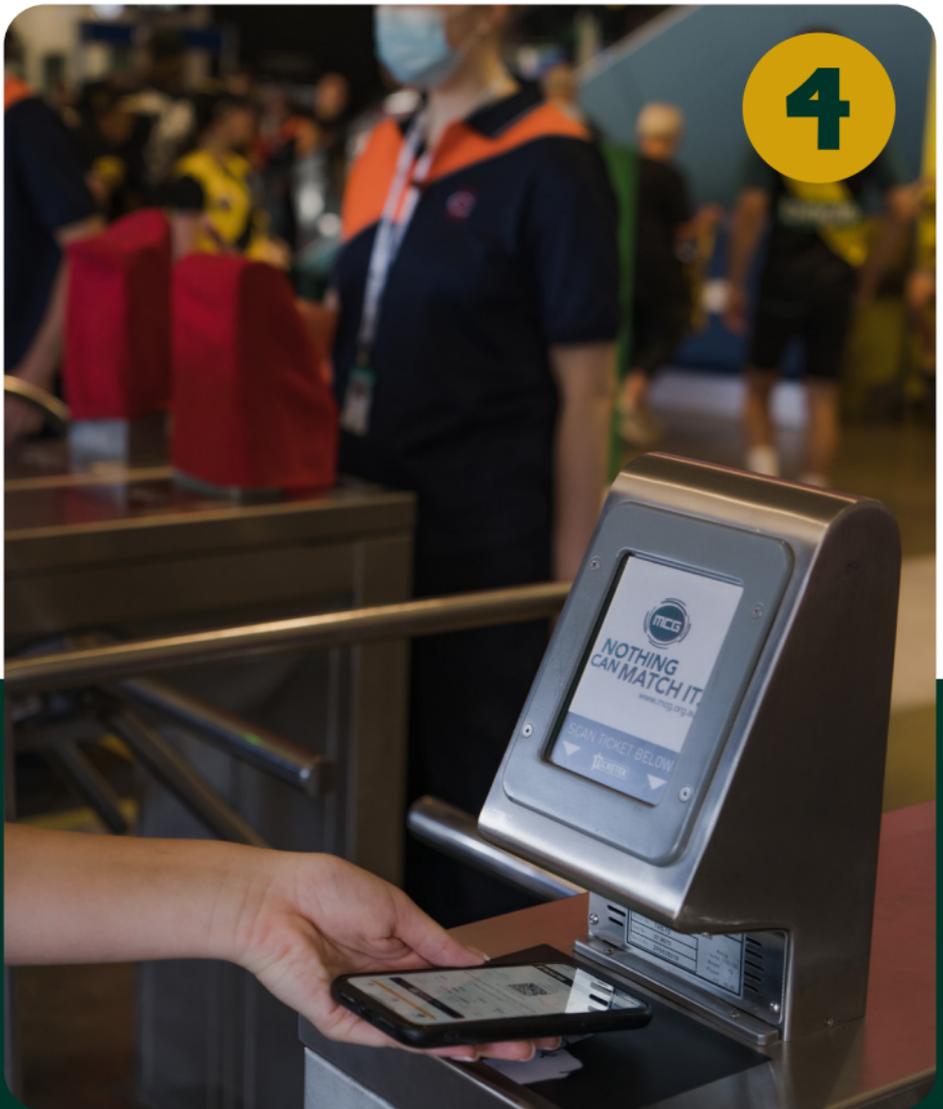

Security will check my bag before I enter. They check everyone's bag for safety reasons.

3

They will also scan me with their wand.  
They may ask me to turn around and lift  
my arms.

4

I will scan my ticket to enter through the gate.

5

If I need help or assistance I can always ask the MCG staff, they wear orange, blue or green.

6

I will watch the footy from my allocated seat.

The crowd makes a lot of noise when they get excited and loud music will be played in the breaks.

8

If I need a break I can visit the low sensory spaces. I can enter via level 1, inside the Australian Sports Museum at Gate 3.

9

I can choose to watch the footy quietly in this space or relax.

I can buy food and drink inside the MCG using my bank card.

I will cheer for my team. If I need a break I know I can take one at any time.
