Authorised Version incorporating amendments as at

Preamble

By an Order in Council dated 9 December 1861 land known as the Melbourne Cricket Ground was permanently reserved as a metropolitan cricket ground.

By a Crown grant dated 17 June 1862 the Melbourne Cricket Ground was granted to the trustees of the Melbourne Cricket Ground upon trust that the Ground and the buildings on it be maintained and used as and for a place for playing cricket and for related conveniences.

By an Order in Council dated 9 June 1873 land described in Crown grant Volume 600 Folio 119902 was permanently reserved as a site for a public park.

By a Crown grant dated 13 June 1873 land described in Crown grant Volume 600 Folio 119902 and the buildings on it were for the time being granted to the Board of Land and Works and the City of Melbourne upon trust to be maintained and used as a public park and related conveniences.

By a deed executed by the Board of Land and Works on 2 October 1929 and by the City of Melbourne on 6 November 1929 the Board and the City of Melbourne as trustees of the land described in Crown grant Volume 600 Folio 119902 granted to the Melbourne Cricket Club permission to occupy and use in connection with the Melbourne Cricket Ground an area of land being part of the land described in the Crown grant.

In order to provide more adequate accommodation for the public at the Melbourne Cricket Ground, particular areas of land described in Crown grant Volume 600 Folio 119902 were subsequently added to and included in the Melbourne Cricket Ground.

Certain adjustments to the boundaries of the Melbourne Cricket Ground and particular areas of the land described in Crown grant Volume 600 Folio 119902, and further provision with respect to the use and management of the Melbourne Cricket Ground, were made by the **Melbourne Cricket Ground Act 1933**.

Under the **Melbourne Cricket Ground Act 1933**, the permanent reservation and the Crown grant of the Melbourne Cricket Ground and particular areas of the land described in Crown grant Volume 600 Folio 119902 were revoked. Land described in the Fifth Schedule to that Act and known as the ground was granted to the trustees of the Melbourne Cricket Ground upon trust that the Ground be maintained and used as and for a place for playing at cricket and for conveniences connected therewith and when not required for cricket for such other purposes not inconsistent with the foregoing as the trustees think fit and for no other purpose whatsoever.

By a Crown grant dated 4 December 1933 land including the Melbourne Cricket Ground and particular areas of the land formerly described in Crown grant Volume 600 Folio 119902 were entered as a Crown grant in the register book of the Office of Titles Volume 5925 Folio 1184828.

By an Order in Council dated 20 February 1934 land described in Crown grant Volume 5925 Folio 1184828 was permanently reserved as a site for the Melbourne Cricket Ground.

Under the **Melbourne Cricket Ground (Trustees) Act 1957** amendments were made in relation to the trustees of the Melbourne Cricket Ground.

Certain adjustments to the boundaries of the Melbourne Cricket Ground were made by the **Melbourne Cricket Ground Act 1951**, the **Melbourne Cricket Ground Act 1962** and the **Melbourne Cricket Ground Act 1963**.

Under the **Melbourne Cricket Ground Act 1984** provision was made for the construction and operation of floodlights at the Melbourne Cricket Ground.

Under the **Melbourne Cricket Ground (Guarantees) Act 1984** the Treasurer was authorised to guarantee the repayment or satisfaction of money borrowed or advances or other financial accommodation obtained by the Melbourne Cricket Club and amendments were made with respect to the borrowing powers of the Melbourne Cricket Club.

The trustees of the Melbourne Cricket Ground were incorporated and the powers of the Melbourne Cricket Ground Trust widened under the **Melbourne Cricket Ground Trust Act 1989**.

It is expedient to re-enact the law relating to the Melbourne Cricket Ground.

The Parliament of Victoria therefore enacts:
