Digital ticket or  
my membership card

Fidget

Sunflower lanyard

Debit or credit card (no cash)

Bag

**The MCC supports the Hidden Disabilities Sunflower.**

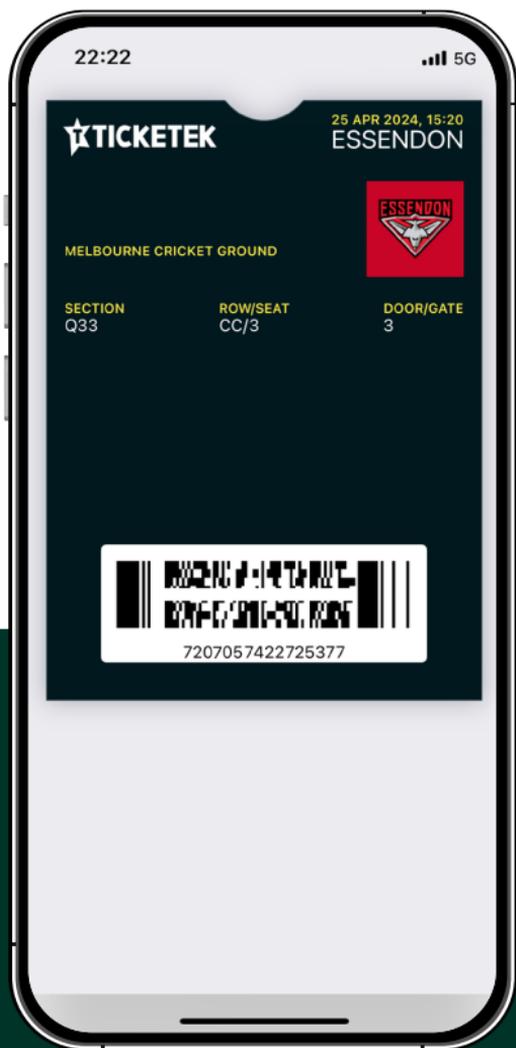

To get a Sunflower or learn more, scan here >

The MCG has very limited car parking so taking public transport may be my best option.

2

I have downloaded my ticket from the Ticketek app to my phone's wallet or I have my physical membership card.

When I arrive at the MCG, I will check my ticket for the correct gate to enter and then join the queue. There will be lots of noisy and excited people waiting outside the stadium.

4

If I have mobility needs, I can use the free 'G Train' shuttle service to help me get from Richmond Station, Jolimont Station or the accessibility parking area in Yarra Park to the MCG.

Before I enter, I will need to complete the MCG's security process. I may be asked to pass through a metal detector or open my bag. This is for safety reasons.

6

Security may also scan me with their wand.  
They may ask me to lift up my arms and turn around.

I will scan my ticket at the turnstile using my phone. When the light on the screen turns green, I will push the metal turnstile arms or wait for the gate to open and enter the stadium.

I will find my seat using the information on my ticket and watch the footy from my allocated seat.

Section M is Level 1, Section N is Level 2,  
Section P is Level 2A (Warne Stand) or  
Level 3 (all other stands), Section Q is Level 4.

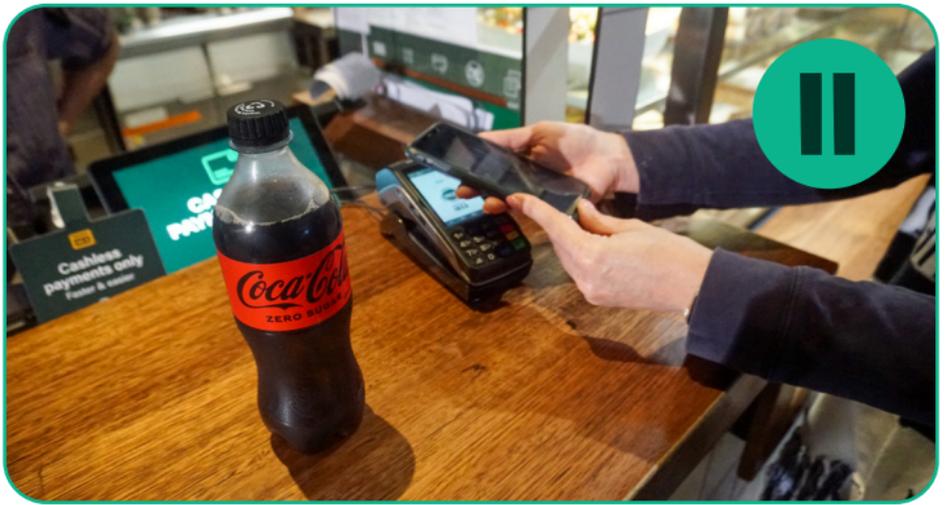

The crowd will make a lot of noise when their team runs out, scores a goal or the game ends.

I might see smoke, fire or flashing lights and hear the siren and loud music during breaks in play.

If I need a break from the stimulation of the footy, I can visit the MCG's Sensory Friendly Space.

The Space is located inside Gate 3 on Level 1

I can buy food and drink as well as merchandise both inside and outside the MCG using my bank card. The MCG is a cashless venue.

If I need help, I can ask the MCG Staff. They wear orange, blue and green uniforms. Security, First Aid and Victoria Police are also available if I need them.

If I don't feel comfortable speaking to staff I can email [contactus@mcg.org.au](mailto:contactus@mcg.org.au) or text **0409 117 621**.
